

REVIT ARCHITECTURE ONLINE

REVIT ARCHITECTURE 2012

OVERVIEW

Revit Architecture 2012: The Complete Guide is designed to give you a solid understanding of Revit Architecture 2012 features and capabilities from the basics through to advanced components. Every course is designed to use all learning styles from text, audio, video, interactivity, quizzes and practical “Let Me Try” examples.

To get the most out of this course, we strongly recommend you review **every** topic within the course, and use all the learning styles to ensure you retain the important information within. We also encourage you to take **all** the progress tests to ensure you have retained the knowledge, and most importantly practice with the hundreds of real world, Let Me Try examples.
